# DUBLINK 2.0

29TH JUNE | 12PM-5PM | DUBLIN, EIRE

**Is your software infrastructure ready to be scaled?**

**What does the future hold for ITSM?**

Find out at DubLink 2017. Clearvision, an Atlassian Platinum Solution Partner, will be hosting this exclusive event at the Marker Hotel in Dublin. Industry experts will be delivering talks about how to deploy your mission-critical tools at scale – while still maintaining maximum performance. And there'll be a complimentary buffet too!

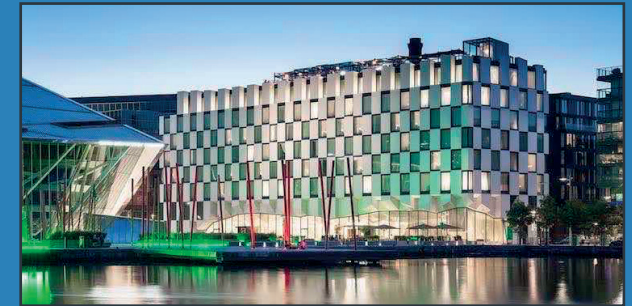

### Who Is DubLink For?

From enterprise technology leaders to senior IT managers and system admins, DubLink is for anyone who wants to learn how tools like JIRA, Confluence, Bitbucket and HipChat can boost collaboration in their teams, leading to real-world improvements.
